ABOUT ME

My name is Harris Phiri, professionally known as Jeddii Xvi, and I am a multidisciplinary musician from Area 21, Lilongwe Malawi. I specialize in rap, songwriting, acoustic performance, and music production, with a growing focus on mixing hip-hop, alternative sounds, neo soul and heartfelt storytelling. My creative approach is rooted in authenticity and emotional expression, drawing from personal experiences and community influence.

MUSIC IS MY WAY OF SPEAKING TO THE WORLD. EVERY SONG I MAKE CARRIES A PIECE OF MY JOURNEY—LOVE, STRUGGLE, HEALING, AND GROWTH
